out to ^{him} (the Amildar) by the Deputy Commissioner who admitted that it was wrong. Then the Deputy Commissioner solicited sanction to a sum of Rs 90/-.

The Deputy Commissioner, who was requested to be informed what repairs were actually executed by the Dharmadarsis for which a sum of Rs 30/- was drawn from the Treasury and disbursed by the Amildar and for what purpose, the balance of Rs 90/- was sought to be drawn from the Treasury, states that certain urgent repairs which were very necessary to the temple were executed under the supervision of the Dharmadarsis and that a sum of Rs 30/- was drawn and paid by the Amildar to him. He further states that the work to the extent of Rs 120/- has been executed to the temple and submits for sanction a measurement bill for Rs 120/- therefor.

Sir,

In submitting herewith a refund bill for Rs 90/- for favour of sanction and transmission to the Comptroller for audit, I have the honor to state that a sum of Rs 120/- recovered from the devotees for the repairs of Sri Bhemaswara swami temple at Kairvara in the Chintamani Taluk was credited to the funds of the Institution on 12th October 1906 by mistake the amildar drew a sum of Rs 30/- in October 1906 and advanced to the Dharmakartha of the temple for its repairs and when this irregular procedure was pointed out to him, he admits that the procedure adopted by him was wrong and solicits orders to draw the balance of Rs 90/-.

2 The amildar seems to have credited the amount to the funds of the Institution instead of depositing the same in the Government Savings Bank and the irregular procedure of drawing the amount on his own responsibility, when once the amount was credited to the funds, has been duly pointed out to the amildar.

3. Under the circumstances explained in the above, I solicit that the bill may kindly be sanctioned at your earliest convenience.

I have the honor to be

From,

Deputy Commissioner, Kolar District.

To

The Secretary to the
Government of Mysore,
Muzrai Branch.

Sir,

Your docket No. 3271 dated 17th January 1903, requesting a report on the extent of repairs actually executed to the Sri Bhimesvaraswamy temple at Kaivara in the Chintamani Taluk, for which a sum of Rs. 30/- was drawn from the Treasury and disbursed by the Amildar and the circumstances under which the balance of Rs. 90/- is now sought to be drawn from the Treasury.

.....

With reference to the above, I have the honour to state that the temple referred to is a Muzrai Institution endowed with land inams. As the same was in need of certain urgent repairs, the leading inhabitants and other devotees interested in the temple, came forward with a contribution of Rs. 120/- in cash, which was credited to the funds of the institution on 12th October 1903.

2. As per enclosed final measurement bill the total cost of repairs to the temple, has amounted to Rs. 120/- out of which 30 Rs. has already been drawn from the Treasury and paid by the Amildar — 15Rs. on the 20th October 1903, and 15 Rs. on the 25th October 1903. A balance of ninety rupees out of the voluntary contribution is still at the credit of the institution and is to be paid for the repairs executed.

2.

3. I would therefore request that you will be so good as to countersign the enclosed bill for Rs. 120/- and transmit the same to the Comptroller with instructions to adjust Rs. 30/- already paid and audit it for the balance of Rs. 90/-

4. Vernacular file of correspondence ending with Malur Sub Divisional Officer's Yadi No.661 dated 14th October 1905 is herewith submitted for reference.
